Social Security Disability and Veterans' Disability Claims

Social security was created for people who are in the difficult situation of being disabled and unable to work. Our social security disability and veterans' disability department was created to help those people get the benefits they need.

Attorneys Louis Turco and Ian Lloyd are established social security disability lawyers who have assisted thousands of Treasure Coast residents in appealing claim denials. We work tirelessly on your behalf to ensure you receive the compensation you and your family needs and deserves. Your initial consultation is free and you do not pay, unless we win.

There are a variety of different federal benefits available for veterans and their families. Though the Department of Veterans Affairs provides literature and other information regarding certain benefits they offer to veterans, they may neglect to mention other benefits available from both the VA and the Social Security Administration. These benefits are designed to assist veterans who were wounded or otherwise disabled either on duty or afterward.

At Hoskins, Turco, Lloyd & Lloyd, our Florida veterans' disability lawyers have fought for the disability rights of veterans for over 30 years. We are grateful for the sacrifices that veterans and their families have made to defend our country, and we know how important it is to get government benefits as soon as possible.

How a Florida Veterans' Disability Lawyer Can Help You

If your claim to either the VA or the SSA is denied, you have options. You can appeal the denial and provide further evidence that you do qualify for benefits. If your claim is still denied, you can take your case through the legal system to fight for your rights.

At every step of the process, a veterans' benefits attorney in Florida can help you make your case and get the full compensation you deserve. For over 30 years, the experienced lawyers at Hoskins, Turco, Lloyd & Lloyd have helped American heroes and their families get the full benefits they deserve from the federal government.

If you are a disabled veteran or the dependent of a disabled veteran, you have legal rights. Call our law firm today at 866-930-6435 or [contact us online](#) today for a free, no-obligation consultation.

HURRICANE IAN DAMAGE?

Many roofs, windows, screen enclosures, and interior damages have been caused as a result of Hurricane Ian. Sometimes the damage is visible, however in many situations the damage is not obvious or is hidden. Imagine what it would feel like to have to pay out of pocket for expensive repairs if the insurance company should have paid you for your damages. If you were underpaid for your claim or didn't know the extent of your property damage, would you want to know about it?

Our use of High Tech Thermal imaging equipment can uncover damages not visibly seen by the naked eye.

What Is A Public Adjuster?

When you submit an insurance claim, your insurance company employs a professional adjuster who evaluates the situation and recommends an estimate. This adjuster has the best interest of the insurance company in mind, not yours! It is crucial that you contact **Greer Wright**, a licensed commercial and residential public claims adjuster, who will represent you, the homeowner throughout the entire claim process. Greer will ensure a smooth transaction from start to finish, including maximum recovery amounts for your damages.

FIVE STAR CLAIMS ADJUSTERS ARE CONSIDERED ESSENTIAL BUSINESS WORKERS AND ADHERE TO ALL CDC GUIDELINES AND RECOMMENDATIONS*

If you have ANY of the following there is a chance you have enough damage for Greer to file a claim and ask for a FULL ROOF REPLACEMENT on your property, as well as compensation to repair all other associated damages to your property.

Broken Tiles

Water Leaks

Missing Shingles

Mold

Ceiling Stains

Five Star Claims is paid purely on a contingency fee basis. This means that we work completely FOR FREE until we deliver funds to you, the property owner! Once we deliver funds, we collect a small % on those funds.

Will my insurance company penalize me? SEE FL STATUTE 627.4133 Claims on property insurance policies that are the result of an act of God may not be used as a cause for cancellation or nonrenewal, unless the insurer can demonstrate, by claims frequency or otherwise, that the insured has failed to take action reasonably necessary as requested by the insurer to prevent recurrence of damage to the insured property.

How much will this all cost? Five Star Claims is paid purely on a contingency fee basis. This means that we work completely FOR FREE until we deliver funds to you, the property owner! Once we deliver funds, we collect a small % on those funds.

Is our business reliable? Every adjuster at Five Star is licensed and appointed with the State of Florida, and regulated by the State of Florida's Department of Financial Services.
